ADDING WITHIN 10

The frame contains several math problems arranged in a grid-like fashion:

- Top left: A vertical column with the number 4 in the top cell and an empty cell below it.
- Top right: A horizontal row with the number 8 in the top cell, and a row below it containing 10, an empty cell, 4, +3, and another empty cell.
- Middle left: A vertical column with 3 in the top cell, +2 in the middle cell, and an empty cell at the bottom.
- Middle right: A vertical column with 2 in the top cell, +2 in the middle cell, and an empty cell at the bottom.
- Center: A horizontal row with an empty cell, +1, 6, an empty cell, 9, -5, and another empty cell.
- Bottom left: A vertical column with +4 in the top cell, an empty cell in the middle, and 7 in the bottom cell.
- Bottom center: A vertical column with 5 in the top cell and an empty cell below it.
- Bottom right: A horizontal row with 9, an empty cell, 10, -2, an empty cell, +1, and 9.

Decorative elements include: birds flying at the top; streamers with stars hanging from the top; a large star in the center; a starburst on the right; and streamers with stars at the bottom right.
