Maze: Making 17

Instruction: Work your way through the maze and find the expressions that make 17.

START

GOAL!

The maze consists of 15 circular nodes arranged in a grid-like pattern. The nodes contain the following subtraction problems:

- Top row: $22 - 16$, $31 - 13$, $49 - 32$ (START)
- Second row: $25 - 8$, $42 - 25$, $33 - 16$
- Third row: $53 - 36$, $50 - 31$, $20 - 14$
- Fourth row: $38 - 36$, $29 - 12$, $26 - 10$
- Bottom row: $50 - 33$ (GOAL!), $37 - 20$, $31 - 18$

The maze is decorated with illustrations of tigers and a tiger cub. The word "START" is at the top right, and "GOAL!" is at the bottom left.
