GOAL!

# Maze:Making 3

Instruction: Work your way through the maze and find the expressions that make 3.

The maze consists of 16 octagonal nodes connected by paths. The expressions in the nodes are:

- Row 1:  $4+5$ , **START**  $1+2$ ,  $5-2$ ,  $3+0$
- Row 2:  $2-2$ ,  $7-4$ ,  $4+1$ ,  $8-5$
- Row 3:  $3+1$ ,  $8-4$ ,  $9-8$ ,  $2+1$
- Row 4:  $9-4$ ,  $6+2$ ,  $1+6$ , **9-6 GOAL!**

The maze path starts at the 'START' node and ends at the 'GOAL!' node. The path of correct expressions that equal 3 is:  $1+2$ ,  $2-2$ ,  $3+1$ ,  $8-4$ ,  $9-8$ ,  $1+6$ , and  $9-6$ .
